Subject: RE: Room Hire Abergele Town Hall

Good Evening Lorraine,

Please can you ask the Town Council to consider the following proposition:-

The NatWest Community Banker to operate 1 day per week from Room 6.
Their remit is to help at least 3 Customers per day via booked appointment, to have a fixed 2 hour drop in part of the day and to run education events within the community.
The budget we have for this is £1250 which includes VAT for 12 months.
We would be willing to pay 6 months in advance (£625 inc VAT)
As Kerry is entitled to 25 days annual leave, we would on average only need the room for 23 of the 26 days in a 6 month period. Thursday would be a good day.

I understand if you can't help as our budget is not flexible and I thank you for taking time to consider this request.

Kind regards

Mike

Good afternoon Mike

I refer to our telephone conversation and my meeting with Kerry Johnstone earlier this week regarding room hire at the Town Hall.

Please could you confirm whether the service is appointment based or offered as a drop-in service to the public. If it is to be drop-in service can you give some idea of the projected footfall to the Town Hall and the hours of service.
