Subject: Missing Names On The War Memorial

Hello,

I have a name that is missing from the war memorial. He is no relation but I thought it would be nice to add him.
Sergeant Frederick William Gunter 243410 Lancashire Fusiliers. He was born in Abergele in 1890. The 1891 census has him living with his father William Joseph and mother Ellen at the Harp Hotel where his father was the landlord. By 1911 Frederick was a waiter and living at 17 Fairclough Lane Edge Hill, Liverpool. He married Sarah O'Connell in Liverpool on the 8th October 1911. He is buried at Vielle Chapelle New Military Cemetery, Pas De Calais, France.

Hope this is of use.

Regards,

Darryl
