

# **PUBLIC MEETING**

**26<sup>th</sup> APRIL 2016 6.30 pm**

## **ABERGELE TOWN COUNCIL OFFICES**

Dog Control orders and Enforcement officers now in place it would be reasonable to expect to see irresponsible dog owners fined for the failure to clean up after their dog and a reduction in the amount of dog faeces within Abergele.

As this is not the case this meeting is taking place to explore Pro Active schemes to rectify the matter

**Everyone is welcome!**
