Hi George - read the council newsletter with interest and came upon advert re foot care. We have been considering changing our chiropodist so I was interested. Thought I'd check this lady out first. You will see the result from the reply on the attachment. I don't know what the Councils position is on the accuracy of adverts it uses?

Hope you are well - sorry we were not in when you phoned last. You know what a busy life we now have but would love to see you again whenever you are free.

Hope Hilary is standing up to this hot weather!

Take care

Mary

Dear Mrs Darling

Thank you for your email and its contents.

You are quite right to check out anyone who is offering this type of service.

The lady in question - Sandra - is not known to us and is not registered on the Accredited Register which is the only register regulated by the Professional Standards Authority for Health and Social Care - a government run authority.

However, if you are looking for a practitioner then I can recommend Mr Robert Hughes who lives in Abergele and has been registered with us since April 2012. His contact telephone number is 01745 833195 and his email is huighesrob@hotmail.co.uk

He is very nice, friendly, professional and well thought of and you will be fine with him.

Kind regards

Dear Sir

The Abergele Town Council magazine has an advert for a foot health professional who undertakes home visits. Having read your recommendation that accreditation should be checked, I am writing because I could not complete all the details (eg surname) required by you and so could not confirm the situation.

The advert simply says "Foot health professional - all aspects of foot care, over 25 years experience, fully insured, home visits.

SANDRA MCFH, AInst., FHP MOBILE 07847 998828, Landline 01745 822238

I would be grateful if you could advise me please. My husband and I are both in our eighties and want to be sure before inviting anyone into our home. Thank you

Mrs Mary Darling
