**FESTIVAL**

**Event Description Heading**

We are inviting Christmas wreaths and Nativity sets to be displayed in St Michael's for our Advent Festival.

All schools, groups and charities are invited to make a wreath or if you have a treasured nativity set, bring it, or make one using recycling and natural things. **EVERYONE IS INVITED TO CREATE!**

There will be refreshments and seasonal goodies, so come and join us for a break from the hustle and bustle of Christmas preparations. Be inspired and make a wreath! Spread the word! Let's see how creative Abergele can be!
