(i) County Councillor Tim Rowlands gave a brief verbal report on the recent workshop held between County Councillors and the Consultants, Bakers. It was NOTED that the lower housing option voted through last year by Members of CCBC had thrown the LDP out of balance and that

the Consultants had also been asked to look at inward migration projections. A further workshop is to be held on 2nd February.

(ii) It was NOTED that Darren Millar, AM, has raised the question about the data range used for population projections with the new Local Government Minister, Carl Sergeant, and is awaiting a response.

(ii) Members considered concerns about the bus services to and from the new surgery, following a telephone call from a member of the Abergele Surgery Action Group.

It was NOTED that Highways had confirmed that only the Town Service (43) would initially be stopping at the bus stop inside the Business Park and that Arriva had so far refused to do so, on the grounds that it would throw out their timetabling for the no.12 and 13 services.

It was FURTHER NOTED that Darren Millar, AM, had arranged a meeting with Bob Saxby, CCBC, on 22nd January to try to find a solution and that attempts were also being made by CCBC to introduce a temporary speed limit reduction on the section of road leading up to the Business Park.
