685/13 A Word of Condolence

Cllr B C Roberts advised members of the sad news of the recent death of the Town Clerk's mother. The full Council stood for a minutes silence as a mark of respect and wished to convey their sincerest sympathy to the Town Clerk and her family.

686/13 Visitor to the Council

Standing orders were suspended

Chairman, Cllr A Wood, welcomed Mr Meirion Jones, Gwynedd Pension Service, to the Council, who was attending following a request from the Council for an overview of the new Pension Scheme introduced in April 2014. Mr Jones advised that the Pension Scheme needed to change as people are living longer resulting in a big rise in pension payments. The Hutton Report, which undertook a structural review of public service pensions, detailed recommendations on how pensions can be made sustainable and affordable in the future. The new Scheme is intended to be fairer and more cost effective.

Changes include:

- delaying payment of a pension from the fund until State Retirement Pension (SRP) age and this will increase in line with the SRP age
- the pension payable will now be calculated on each year's salary separately and not on the 'final year salary'
- the pension calculation will be based on 1/49th of pensionable pay each year
- no automatic lump sum payment

There is no change to:

- death in service payment
- ill health benefits remain the same
- dependents benefits remain the same

All pensions in payment or built up before April 2014 will be protected and for current contributing scheme members any pre-April 2014 pension will still be based on final salary at retirement. Employees can choose to opt out of the Scheme with benefit being frozen until retirement age; also available was the option to pay half

contributions to get half pension – this being a short term arrangement and renewable every three years.

Mr Jones was thanked for his very concise and informative presentation.

Standing Orders were reinstated
